Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Thursday 08 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly fine and dry today with sunny spells.

Today:
A murky start in some areas but soon brightening up, with sunny spells and fair-weather cloud throughout the day. Staying dry, although the odd shower is still possible. Maximum temperature 22 deg C (72 deg F).

Tonight:
Largely fine and dry tonight with some clear skies at first. Cloud will gradually thicken overnight, making the odd spot of light rain or drizzle possible for some. Minimum temperature 10 deg C (50 deg F).

Friday:
A few showers are possible throughout the day on Friday but staying largely dry otherwise with sunny spells at times. Maximum temperature 22 deg C (72 deg F).

Outlook for Saturday to Monday:
Scattered showers throughout the outlook, with a risk of thunder and hail. These will be heavy at times, particularly on Monday.
